Chennai | 9363634235 | vishalinimj@gmail.com | LinkedIn | Portfolio

Aspiring Full-Stack Developer with practical experience in developing scalable web applications using Java, Spring Boot, MySQL, HTML, CSS, JavaScript, and REST APIs. Eager to contribute to impactful software solutions while continuously enhancing my technical and collaborative skills.

## TECHNICAL SKILLS

---

- **Frontend:** HTML5, CSS3, JavaScript, DOM Manipulation, Form Validation, Responsive Design
- **Backend Frameworks:** Java, Spring Boot, REST APIs, Spring MVC, Spring Data JPA, Validation, Hibernate
- **Database:** MySQL, CRUD operations, Joins, Data Normalization
- **Testing:** Postman for API testing, JUnit for unit testing
- **Tools & Environment:** Git, GitHub, Maven, IntelliJ IDEA, Eclipse, Visual Studio Code

## PROJECTS

---

### Bus Ticket Booking System

*Tech Stack: Spring Boot, MySQL, HTML, CSS, JavaScript*

- Built a full-stack web application with core modules: Login, Registration, Bus Ticket Booking, User Profile, and Booking History.
- Developed the backend using Spring Boot and MySQL to manage users, buses, and ticket bookings.
- Designed responsive front-end pages using HTML, CSS, and JavaScript for smooth user interaction.
- Implemented user authentication and CRUD operations for profile and booking management.

### Patient Appointment System

*Tech Stack: Spring Boot, MySQL, HTML, CSS, JavaScript*

- Built a full-stack web application with core modules: Patient Registration, Appointment Scheduling, and Medication Management.
- Developed backend services using Spring Boot and MySQL to handle patient data, appointment slots, and prescriptions.
- Designed a user-friendly interface using HTML, CSS, and JavaScript for smooth interaction.
- Enabled CRUD operations for managing appointments and medications effectively.

## INTERNSHIP EXPERIENCE

---

### UI/UX Design Intern | 8Queens Software Technologies Private Limited

*July 2024 – August 2024*

- Designed responsive web pages using HTML and CSS based on UI/UX principles.
- Collaborated with the team to ensure clean, user-friendly interfaces across devices.

## CERTIFICATION

---

### Java Full Stack Developer Course – GUVI (IITM Incubated Platform), March 2025

[View Certificate](#)

- Completed full-stack training with real-world projects in Java, Spring Boot, MySQL, HTML, CSS, and JavaScript.

## EDUCATION

---

**St. Joseph College of Engineering**, B.Tech – Information Technology | 2021–2025 | CGPA: 8.10

**C.S.I. Goudie Hr. Sec. School**, H.S.C | 2020–2021 | Score: 87%

**C.S.I. Goudie Hr. Sec. School**, S.S.L.C | 2018–2019 | Score: 80%

## SOFT SKILLS

---

- Effective communicator and strong team collaborator
- Adaptable to change and eager to learn
- Analytical problem solver
- Well-organized & efficient in time management
